RAPID WALL REPAIR PATCH

4-2" Patches

Ideal for small repairs such as nail holes, nail pops, screw holes, anchor and cable cord removal damage.

4" Patch

Ideal for medium repairs such as everyday wall damage caused by moving furniture, rough housing or relocating towel racks.

6" Patch

Ideal for large repairs up to 3" in diameter and specifically designed to withstand doorknob impact.

Thoroughly prep for a clean, smooth surface

Patch damage pressing firmly to ensure adhesion

Paint immediately using a paint roller

Remove clear protective layer by pulling pop-up tab

Finish by applying two additional coats of paint
